

Dear Subscriber

## Special Announcement

The Directors, Partners, and Team of Summit Africa are pleased to announce that Langa Madonko, our Investment Principal responsible for Investor Relations and Capital Raising, has been elected by his peers to the Board of the South African Venture Capital and Private Equity Association.

We are grateful and humbled by this appointment and believe it is a reflection of our commitment not only to the business of Summit Africa but the broader asset class.

Langa becomes the 2nd person affiliated to Summit Africa to serve on the SAVCA Board following in the footsteps of Mr Njabulo Mthembu, Independent IC Member Private Equity, who previously served on the board.

*Summit Africa is a majority black owned and managed, specialist Alternatives Investment Manager with a focus on investing in private equity and unlisted real estate that delivers above-benchmark risk-adjusted financial returns and contributes meaningfully and measurably to the social and economic transformation and development of the local community and South Africa as a whole.*
